The Knights of Columbus and the Ukraine

We stand in solidarity with the 1,889 Brother Knights and their families, the Church, and all in need in Ukraine. Our Supreme Council established the **Ukraine Solidarity Fund**; 100% of donations go directly to support humanitarian aid for Ukraine. **As of April 21st, donations have reached \$13,427,951**, including \$1.5 million provided by the Supreme Council.

The Knights are working with councils in Poland and Ukraine to aid refugees directly. Through extensive local connections, including networks of local Knights and volunteers, essential resources and services are reaching families.

Star of the Sea has already donated \$1000 to the Ukraine Solidarity Fund, but we want to do more. So, we will donate 100% of the net proceeds from the annual **Polish Dinner** and from the **Swing into Spring** golf outing raffle. **Individual contributions to the Ukraine Solidarity Fund will also be accepted.**
