My wife Beth and I have been happily married for 40 years. Proud of our two grown sons - both married and residing in the Carolina's. Four grandchildren and (good Lord willing) expecting our 5th in December.

My wife and I were both born and raised in Johnstown, PA. Spent our working years in the Washington DC area. Raised our family in Columbia, MD and made our move to the beach full-time in 2017.

I worked initially with a State Redevelopment agency in PA before relocating to the DC area to spend my career in Real Estate Management and Leasing.

I serve as a lector at Sunday Mass. I very much enjoy the brotherhood and my service in the Knights of Columbus. I also enjoy golfing. Beth and I spend as much time as possible visiting our sons and the grandkids in the Carolina's. Follower of Pittsburgh sports teams: Pitt Panthers, Penguins, Steelers, and (occasionally) Pirates. Have also enjoyed a few European ocean and river cruises.
