

August Report Star of the Sea Council 7297

We began August with the installation of officers in St. Edmond's Parish Hall on the first. WDD Rick Morin conducted the service along with our Chaplain Father William Cocco. It was nice to see ninety percent of the officers were installed.

We continued with emailing birthday wishes to our Council members born in August.

The weekends of August 8,9,22 and 23 the Tootsie Roll project was held. We raised 2,900.45 dollars. We had 26 Knights participating, working a total of 12 masses, accumulating 32 man hours.

Our August 4, officers meeting was held using Zoom. August 11 regular business meeting held in parish hall for the first time since March. Our Insurance Agent Paul Albanese was present and spoke to our council.

We were updated on our legal case about the crèche.

Committee Reports

Our Membership Committee updated us on the guidelines they put together on recruiting and retention.

Communication Committee, Bob Worthing chair, is off to a great start getting information out to our Knights, Parish and Community.

Community director has been in contact with the Cape Henlopen School District coordinator to begin our coats for kids campaign.

Family of the month for July was Paul King's Family.

Silver Rose was arranged for November 30th at 9:15 am, following mass. Father Cocco requested the Knights to help with ushering at all masses which we are doing.

We have begun the process, after getting Father Cocco permission, to hold a Red Cross blood drive in October. We have received word from the Red Cross that the Blood Drive will be October 12th.

Christmas Luncheon has been scheduled for Kings Creek in December.

This concludes our report.

Vivat Jesus!

Rich Duffy, GK
